How it works

Fun Fact:
All of our
packaging is
100%
recyclable

Ready.

Choose from our kits of garden-ready plants (or build your own boxes).

Set.

We'll grow, love and nurture them so they arrive at your door at just the right moment to plant.

Grow.

Open the box, bury them in the ground and wait for the magic to happen.

No garden?
No problem! Most of
our plants are
container-friendly.
